## 2021 Vivant Rosé

VQA Beamsville Bench

**Composition:** 88% Pinot Noir, 12% Pinot Gris

### Impressions:

The nose is a busy mélange of strawberry, white raspberry, Granny Smith apple, cantaloupe, honeydew melon, grapefruit and chamomile. Tasting reveals a juicy mouthfeel, buoyed by vibrant front palate acidity. Melon, citrus and tree fruit reminders carry to the palate, adding cranberry, lime and lingering watermelon.

### Serving suggestions:

Near 11 ° C with soft cheeses and a variety of fish and shellfish.

**When to drink:** now to 2025.

### Harvest:

Estate-grown grapes were hand-picked at cool day-break temperatures on September 14th and 23rd, as grape sugars averaged 21.3 ° Brix.

### Vinification:

Estate-grown Pinot Noir and Pinot Gris grapes were hand-picked and pressed immediately, after which the juice was chilled in a horizontal “dairy tank” prior to cool fermentation in stainless steel. The new Vivant was bottled in January 2022.

### Alcohol:

12.0 %

### Titrateable Acidity:

6.8 grams per Litre

### Residual Sugar:

0.0 grams per Litre

### pH:

3.3
