

## 2019 L'Ensemble Pinot Noir

*The best blocks and barrels of each vintage; after 5 years of learning intimate, detailed character about our vineyards we have assembled this wine as a showcase to Oregon's best vineyards and unique terroir.*

Although just our second interpretation of this cuvee, we have been envisioning this wine's construction since our very first vintage.

This really is the collection of the best blocks and barrels of everything we farm. The 2019 L'Ensemble showcases Christmas spice, currants, blueberries and sweet forest floor notes. The front end brings strawberries, then chalky granite complexities, and subsequently shifts back to a fresh cranberry and hood river cherry. A framing of gentle vanilla weight from extra aging in French oak completes the palate. The fruit is cascading in effect, it forms in waves, with precise integration and symmetry that supports the wine's finesse and power.
