

Pinot Freyheit 2022

demeter

CHARACTER

True Jazz.

Only those who understand their instrument and how it relates to the personality can play, experience and do justice to jazz. Without demanding, the red-haired pianist – Pinot Freyheit by name – has the slightly dimmed cabaret in her grasp with velvety grace, rapt listeners hanging on to every one of her sounds and their beguiling dynamic tension. While she playfully switches with haunting soul back and forth between major and minor keys, adding and subtracting sharps & flats, vacillating between forte and pianissimo, the world sometimes turns on its axis a little bit slower and sometimes a little faster.

Pinot Freyheit, you are music in my mouth, striding across the palate to my heart...

ORIGIN

A limited edition from the hillside vineyards on the Leithagebirge, tuned up for an open-minded, interested audience. The vineyard site Edelgraben is dominated by mica schist, enriching this wine with additional exciting mineral facets.
