DIALOGOS red 2020

Agios Andreas Ilidas, Peloponnese

The Syrah and Agiorgitiko grapes were handpicked respectively in the middle of August and September, and immediately destemmed and crushed. One week of cold extraction preceded fermentation in inox and, after a long maceration, the wine matured in French oak barrels for 1 year.

This is a full – bodied red wine with a dark gravitas of ripe berry and cherry. It is typified by its profusely perfumed nose of violets and sweet cedar wood, and a palate packed with lasting flavors of fruit, chocolate, and soft tannins.

Dialogos red is ready to drink not but will age gracefully for 10 to 15 years.

Food pairing: It teams up well with red meat with hearty sauces or simply grilled, pot roast, game, and hard cheeses.

Serve at 16 – 18°C

Analysis:

Alcohol: 14.0 %vol., Acidity: 5.63 g/l, pH: 3.69, Sugar: 1.74 g/l
