CABERNET FRANC 2021

Guarda Vineyard Collection is a range of wines resulting from long periods of research and examination of the best terroirs within our estates. Each wine is an accurate reflection of a special vineyard located in a micro region of Luján de Cuyo and Valle de Uco.

The vines used to make this Cabernet Franc come from La Jacintana, our estate located in Perdriel (Luján de Cuyo). This plot was specially selected considering its cold region and stony soil. The grapes are harvested when fully ripe, maintaining the freshness of the fruit, resulting in an elegant wine with personality. A true reflection of its terroir.

STORY

Bodega Lagarde's history dates back to the early years of grapevine cultivation and the wine industry of Mendoza, in Argentina. Established in 1897 and managed by the Pescarmona family since 1970, we have always worked to achieve the same goal of producing the highest quality wine, holding a strong commitment to our land and its people. We are one of the oldest family owned and managed wineries in the heart of Mendoza and we are proud to count with historic and centennial vineyards that were planted in 1906 and 1930.
