

LOGAN FARRELL

2023 CABERNET SAUVIGNON NAPA VALLEY

TASTING NOTES

The 2023 Napa Valley Cabernet Sauvignon was picked the last week in October. It's dense yet energetic showing a sense of polish. It has a core of dark plum, ripe tannins, blackberry and almond honey flavors that meld wonderfully with subtle roasted caramel. Hints of baker's chocolate lead to a softly toasted French-oak finish.

LOGAN FARRELL BACKGROUND

Logan Farrell wines have been made in Napa Valley since our founding. Our fruit comes from select vineyards that produce elegant and impressive wines. We believe that decades of top winemaking experience allows us to create some of the best value Napa Valley wines.

THE 2023 HARVEST

The 2023 harvest was preceded by higher than average rainfall and led to the soils full of moisture as the growing season started. Labor Day weekend heat pushed up sugar levels and forced wineries, vineyard workers and growers to adapt quickly to rapidly ripening vineyard fruit. Prior to that, even summertime temperatures made for a nice growing season that was kicked off by a moderate spring.
